

Volunteer Arbitrator Survey -- Inviting Your Participation As Arbitrator

Dear NGFA Member:

NGFA Arbitration has been serving the industry for over 100 years, as an inexpensive, accessible, expeditious and user-friendly alternative to litigation and other dispute resolution forums. Its continued success depends upon the NGFA Members themselves because they are the ones possessing the expertise to serve as arbitrators. Arbitrators are dedicated industry leaders who generously volunteer their time and energy to the system. Arbitrators enjoy the respect and gratitude of the NGFA and the industry as a whole.

Through this survey, we are inviting you to indicate your willingness to serve as an arbitrator in a future case. Please complete and return the form below to NGFA by fax at 202-289-5388 or mail - or you may complete it electronically at <http://www.ngfa.org/arbsurvey.asp>. Please also do not hesitate to call us to discuss this invitation personally and ask any questions - 202-289-0873 (ask for Charlie Delacruz).

We look forward to hearing from you.

Thank you!

If you've responded to this survey before - please accept our special thanks. Each case requires arbitrators with different backgrounds from varying sectors of the industry and geographic locations. It may be some time before the right case comes along, but we appreciate having your name on file when it does.

Yes, I am willing to serve as a NGFA Arbitrator!

Background and Contact Information

Name: _____

Position: _____

Company: _____ Years in the Industry: _____

Other relevant experience(s) and qualification(s): _____

Street Address: _____

City, State, Zip: _____
