NGFA MEMBERS

From Wall Street to Main Street, we handle U.S. grain and oilseeds in domestic and international markets – spanning the agricultural supply chain from country elevators to feed mills, exporters, merchandisers, futures brokers, end users, and allied industries like railroads, barge lines, and service providers.

PURPOSE AND MISSION

- Be the premier provider of member services and advocate for competitive open market principles to promote the growth and economic performance of North American agriculture in a global marketplace.
- Advocate a global open market environment to efficiently produce and provide a safe, abundant, affordable, sustainable and wholesome supply of grain, oilseeds, feed and related products responsive to market demand.
