

Max Fisher is NGFA' Chief Economist and Treasurer. Max serves as the NGFA's principal interface with federal departments and agencies for rail and truck transportation, risk management, and grain warehousing. Max is NGFA's lead staff policy liaison to its Rail Shipper/Receiver Subcommittee, Motor Carrier Subcommittee, Risk Management Committee, and Business, Merchandising and Operations Committee. He also serves as NGFA's Treasurer and Economist.

Prior to joining NGFA in 2013, Max was the Chief Economist for the Senate Agriculture Committee. He also worked as an economist for the U.S. Department of Agriculture. He holds a B.S. in agricultural business from Kansas State University and a M.S. in agricultural economics from Texas A&M University.
