

2016 KGFA - NGFA

Food Safety Modernization Act Seminar

TWO LOCATIONS:

Wednesday, June 8, 2016 | 9:00 am to 4:30 pm
Sedgwick County Extension Center | 4H Hall | Wichita, KS

Thursday, June 9, 2016 | 9:00 am to 4:30 pm
Kansas Department of Agriculture | Manhattan, KS

DO YOU MANUFACTURE, PROCESS, PACK OR STORE ANIMAL FEED OR PET FOOD?

Don't miss this seminar! KGFA and NGFA have teamed up, once again, to provide members with a Food Safety Modernization Act Seminar. This seminar will provide analysis and answer questions about the FDA's Food Safety Modernizations Act (FSMA) regulations that apply to domestic and foreign facilities that manufacture, process, pack or store animal feed as well as pet food. In addition, the seminar will provide an update on the status of FDA's antimicrobial resistance policies and its impact on medicated feed manufacturers.

SCHEDULE:

9:00 am	<p>Welcome and Introductions</p> <p>FSMA Overview: New Authorities Provided to FDA; Major Rules Required and Implementation Status; Who's Impacted within Industry</p> <p>FDA's Final Rule for CGMP & Preventative Controls for Animal Food Overview of Major Provisions; Review of Exemptions and Modified Requirements; Qualified Individual Requirements</p> <p>Review of CGMP Requirements</p>
10:30 am	<p>BREAK</p> <p>Review of CGMP Requirements (cont.)</p> <p>Review of Preventative Controls Req.</p>
12 Noon	<p>LUNCH</p> <p>Review of Preventative Controls Req. (cont.)</p> <p>Review of Supply-Chain Program Req.</p>
2:15 pm	<p>BREAK</p> <p>Review of Records Requirements</p> <p>Overview of Food Safety Preventative Controls Alliance Training and Other Information Resources</p> <p>Veterinary Feed Directives</p> <p>Kansas Department of Agriculture</p>
4:30 pm	<p>Wrap-up and Adjournment</p>

SPEAKER BIOS:

David Fairfield, Sr. Vice President of Feed Services with the National Grain and Feed Association manages the NGFA's activities pertaining to feed and feed ingredient manufacturing. Among other things, he directs the NGFA's Model Feed

Quality Assurance Program and distance-learning courses, and other feed-related educational and training programs. He also provides assistance to Affiliated Associations in addressing feed-related issues at the state level. He is the principal staff liaison to the Feed Legislative and Regulatory Affairs Comm. and Feed Manufacturing and Technology Committee.

Matt Frederking, Vice President of Regulatory Affairs and Quality at Ralco Nutrition, Inc., based in Marshall, Minnesota. The company markets livestock nutrition, animal health, and fertilizer products to over 30 countries. His responsibilities

include the company's quality assurance and quality control, as well as regulatory-compliance programs including all of the FSMA requirements.

Matt is an International HACCP Alliance Lead Instructor, and was instrumental in developing the HACCP training course taught at K-State. A K-State alum and adjunct faculty member, Matt teaches HACCP courses for the Feed and Grain Industry.
